BOSU

I myself prefer tokusatsu and big hit drama series.
So I know nothing about anime and comic books
and that one is a theme that none of our girls are familiar with...
we have to answer our customer demands, right?
our store the haruki double zets is going to have cosplay as the main theme
she'll bring in some extra money by having a part time job.
It's hard for both of you if you don't have a decent residence, right?
please talk to her when you get home
tell her we're asking a favor from an otaku queen...
it's not a bad idea, is it?
that's why
I went to make kaori-chan our otaku instructor
AH... BUT THEN AGAIN
SFX. GOROOONG...
I won't allow my little sister to work in such a place...
you can't be fooled by that old man saori...
